Sarah Kelling & Max Bittersohn Mysteries Series (12 Book Series) Charlotte MacLeod

From Book 1:

A mislaid corpse strikes terror in the hearts of Boston's strangest family

Like many old New England families, the Kellings live to die. Although their family vault is spacious and comfortable, for Sarah Kelling's Great-Uncle Frederick it will not do. In his will, he demands to be buried inside the ancient family tomb at Boston Common, which hasn't admitted a new member in over a century. But when the Kellings crack the old vault's door, they find a recently built brick wall. And behind it lays a surprisingly fresh corpse—a skeleton with rubies in its teeth.

Her name was Ruby Redd, and many years ago she was the toast of Boston's burlesque scene. Her murder case is ice cold, but when Sarah begins investigating it, she finds that the burning passions behind this beauty's death still burn white hot. With the help of art-fraud investigator Max Bittersohn, she will solve the stripper's murder, or take her own place in the family vault.
