The Attic Murder: An Inspector Combridge & Mr. Jellipot Classic Crime Novel S. Fowler Wright
Francis Hammerton is arrested and convicted of involvement with a gang of confidence men--a charge of which he is entirely innocent--but escapes police custody when a cell door is left unlocked. He finds refuge at a nearby boarding house, but is arrested again when he discovers (and reports) the murdered body of an upstairs tenant--and then is unjustly accused of murder. The dead man had been suspected of a major bank fraud, and was being investigated by a private detective firm. Francis secures the services of Mr. Jellipot, whom his father had known, and although Jellipot isn't a criminal attorney, he agrees to handle the case. And then, piece by patient piece, the little solicitor begins fitting together the shadowy pieces of this complex series of crimes. But can he find the true culprit in time, and also get Francis exonerated of the offense for which he's already been convicted? An absolutely gripping crime novel from the 1930s!

The inside or content will be fantastic as the outside as well as cover. Your reading 6th sense will directly assist you to pick up this book.

Gary Ritchie:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Attic Murder: An Inspector Combridge & Mr. Jellipot Classic

Crime Novel can make you sense more interested to read.
