Writers and editors of Spanish have long needed an authoritative guide to written language usage, similar to *The MLA Style Manual* and *The Chicago Manual of Style*. And here it is! This reference guide provides comprehensive information on how the Spanish language is copyedited for publication.

The book covers these major areas:

- Language basics: capitalization, word division, spelling, and punctuation.
- Language conventions: abbreviations, professional and personal titles, names of organizations, and nationalities.
- Bibliographic format, particularly how Spanish differs from English.
- Spanish language forms of classical authors' names.
- Literary and grammatical terminology.
- Linguistic terminology.
- Biblical names and allusions.
- A dictionary of grammatical doubts, including usage, grammatical constructions of particular words and phrases, verbal irregularities, and gender variations.
