Jennifer Baumgardner

F 'em!: Goo Goo, Gaga, and Some Thoughts on Balls Jennifer Baumgardner

From Jennifer Baumgardner, one of the leading voices of Third Wave feminism, comes this provocative, thoughtful, often funny collection of essays and interviews that offers a state of the union on contemporary feminist issues.

F 'em! is a mix of old and new essays by Baumgardner, ranging in tone from laugh-out-loud confessional to sobering analysis. She investigates topics as varied as purity balls, sexuality, motherhood, and shared breastfeeding; rape, reproductive rights, and the future of feminism. The essays in *F 'em!* are rounded out by candid one-on-one interviews with leading feminists who have influenced Baumgardner's perspectives—including Riot Grrrls' Kathleen Hanna, Native American activist Winona LaDuke, transgender activist Julia Serano, and artists like Ani DiFranco, Björk, and Amy Ray. At turns intimate, fierce, philosophical, and funny, they are an intimate window into the minds and hearts of Third Wave pioneers. Holding it all together is Baumgardner's insightful thinking about what it means to be a feminist today, as she answers frequently-asked questions: What does it mean to be a woman today? Do we even need feminism anymore?

Thought-provoking and cutting-edge, *F 'em!* provides a clearer and more complete understanding of feminism—its past, its present, and its future.
