From Darkness Unto Light Michael Hubbard Mackay, Gerrit J. Dirkmaat

This book provides a detailed description of the process by which Joseph Smith translated the Book of Mormon. Drawing from firsthand accounts of Joseph himself and the scribes who served with him, *From Darkness unto Light* explores the difficulties encountered in bringing forth this book of inspired scripture. Recent insights and discoveries from the Joseph Smith Papers project have provided a fuller, richer understanding of the translation and publication of the Book of Mormon. This book helps readers understand that the coming forth of the Book of Mormon was a miracle. Faith and belief are necessary ingredients for one to come to know that Joseph Smith performed the work of a seer in bringing the sacred words of the Book of Mormon from darkness unto light.
