Grigory's Gadget (The Gaslight Frontier) E. A. Hennessy

Lodninsk, Morozhia is a frozen, industrial wasteland. Isolated by steep mountains and ruled by an authoritarian government, it isn't anyone's idea of home-sweet-home.

Zoya and her friends Demyan, Lilia, Anya, and Nikolai decide to leave their freezing home to start a new life. They set their sights on the tropical paradise of Mirgorod, Vernulaia, where they can study at its prestigious university while taking in the sun and sand...but nothing ever goes so smoothly.

When pirates attack their passenger ship, the friends are shanghaied and forced to be part of their crew. What's more, the pirates have a particular interest in Zoya's family heirloom: a small gadget of compacted wires and gears. Unsure what power the gadget holds, Zoya knows she must protect it with her life.

Trapped with pirates, caught in the struggle for the mysterious gadget, will Zoya and her friends be able to make it safely to their new home?
