Little Lulu has been taking shots at the funnybones of comics fans for nearly fifty years - but you've got another thing coming if you dare assume this means today's readers won't love her, too. As tough as she is tender-hearted, as smart as she is sassy, and as fair and generous as she is cantankerous, Lulu Moppet is a real one-of-a-kind. Now, for the first time ever, comics fans can read and relish every Little Lulu comic book story from the original, long-running Dell Comics series in Dark Horse Books' handy paperback library series! Handy, affordable, and hilarious, these thick, fun-filled volumes are bursting with stories from every angle of Lulu's world - from the far-flung fairy tales she dreams up to calm the quarrelsome tot, Alvin, to the silly slice-of-life adventures that end with impossible complexities and belly laughs for readers.
