Is there a war going on in your home?

Does a *weeping willow* describe your family tree?

Do you secretly wish you had been born to a different family?

Did you pick up some *bad DNA* from someone in your lineage?

Our homes should be places of love and security, but demonic activity and hindrances often fill them with conflict, dissatisfaction, and disillusionment. *Purging Your House, Pruning Your Family Tree* takes you to the root of these issues, showing you how to rid your home and family of demonic influence and generational oppression.

- Removing accursed things from your house
- How you can prevent Satan's return to your house
- The reason three o'clock in the morning taps into the spirit world
