Testimony: Talking Ourselves into Being Christian (The Practices of Faith Series) Thomas G. Long

In this groundbreaking book, Thomas G. Long—a theologian and respected authority on preaching—explores how Christians talk when they are *not* in church. *Testimony* breaks the stained-glass image of religious language to show how ordinary talking in our everyday lives—talk across the backyard fence, talk with our kids, talk about politics and the events of the day—can be sacred speech. In a world of spin, slick marketing, mindless chatter, and easy deceptions, *Testimony* shows that the hunger for truthful, meaningful, and compassionate speech is ultimately grounded in truth about God.
