What is good English, and why do we need it? "The Queen's English" shows how the English language, used properly, has great power to instruct, move and entertain people, but used incorrectly, can lead to a lack of clarity and confusion. This book informs in a light-hearted way, reminding readers how to use the basics of grammar, punctuation and spelling, as well as further teaching them new tips and tricks of style, rhetoric and vocabulary. The book also shows the perils of using language incorrectly, offering extremely (if unintentionally) humorous examples of where bad English can cause one thing to mean something entirely different!
