What It Means to Be a Libertarian Charles Murray

Charles Murray believes that America's founders had it right--strict limits on the power of the central government and strict protection of the individual are the keys to a genuinely free society. In *What It Means to Be a Libertarian*, he proposes a government reduced to the barest essentials: an executive branch consisting only of the White House and trimmed-down departments of state, defense, justice, and environment protection; a Congress so limited in power that it meets only a few months each year; and a federal code stripped of all but a handful of regulations.

Combining the tenets of classical Libertarian philosophy with his own highly-original, always provocative thinking, Murray shows why less government advances individual happiness and promotes more vital communities and a richer culture. By applying the truths our founders held to be self-evident to today's most urgent social and political problems, he creates a clear, workable vision for the future.

From the Trade Paperback edition.

From reader reviews:

William Marquis:

As people who live in typically the modest era should be change about what going on or information even knowledge to make these individuals keep up with the era and that is always change and progress. Some of you maybe will certainly update themselves by studying books. It is a good choice for yourself but the problems coming to an individual is you don't know what one you should start with. This What It Means to Be a Libertarian is our recommendation to help you keep up with the world. Why, because this book serves what you want and want in this era.

Vickie Reed:

Reading a reserve tends to be new life style on this era globalization. With examining you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this What It Means to Be a Libertarian.

Louis Ono:

People live in this new moment of lifestyle always attempt to and must have the free time or they will get lot of stress from both everyday life and work. So , whenever we ask do people have free time, we will say absolutely of course. People is human not really a robot. Then we question again, what kind of activity do you possess when the spare time coming to you of course your answer will unlimited right. Then do you ever try this one, reading books. It can be your alternative in spending your spare time, the book you have read is actually What It Means to Be a Libertarian.

John Martin:

Is it anyone who having spare time after that spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This What It Means to Be a Libertarian can be the response, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these books have than the others?
