Croft combs New Mexico for a Navajo who's been dead since 1866**

On a fishing trip in the mountains outside of Santa Fe, private detective Joshua Croft hears pistol fire. He finds an elderly Navajo encircled by a trio of trigger-happy yokels, demanding the old man dance for them. Croft disarms them, sends them packing, and returns to Santa Fe a few days later. He has nearly forgotten about the incident by the time the Navajo turns up in his office to ask him to find a body.

Missing since the 1920s, it is the corpse of a long-dead victim of an American campaign against the Navajo. For years nightmares have plagued one of his descendants, who wants the body found so that the dead man's soul can rest. As Croft searches for the remains, he learns that there are still those who will kill to keep New Mexico's bloody past buried.
