Darcy Snow is a demon hunter and a damn good one at that. She's never hesitated when faced with monsters preying on humans, but the rules changed when the Lord of the Spirits married a mortal. While spirits used to be able to cross into the human realm only on Halloween, they're now passing freely through a mysterious portal.

Jaral is a demon with a mission. As the heir apparent in the demon realm, he's been waiting for a chance to finally prove himself to his father. When he's ordered to solve the mystery of how their enemies are infiltrating the human world, he expects to run up against mortals. One thing he didn't plan on, however, is crossing paths with a beautiful demon hunter.

Together, they'll need to seal the portal and ensure that balance is returned to the realm. But loving an enemy is not an option for Darcy. If she can't trust Jaral, she can't be with him. To prove his intentions, Jaral will need to make the ultimate sacrifice...
