Islam and the Bible: Why Two Faiths Collide David Goldmann

There are three to four million Muslims living in North America, and that number continues to grow. Practically speaking, it is imperative that Christians know what Muslims believe, so as to better understand how to share the Gospel effectively. David Goldmann offers that practical side in a reader-friendly, non-technical way, complete with a glossary of Islamic terms. Written with a heart for missions, Islam and the Bible will strengthen readers' confidence in sharing their faith, as well as build necessary bridges to Muslim friends and neighbors. Here is a helpful book on Islam, written by a man who knows what he is talking about! David has had a fruitful ministry among Muslims, with many opportunities to apply this knowledge. I promise you will benefit. ~ Dr. Erwin Lutzer, The Moody Church, Chicago
