Jaime Bayly

La lluvia del tiempo (Spanish Edition) Jaime Bayly

La gran novela de Jaime Bayly sobre la televisión y el poder en el Perú.

"La voz de una adolescente que decía llamarse Soraya Tudela sonó altiva, desafiante. Al otro lado del hilo telefónico, Juan Balaguer se impacientó:

--No soy un periodista independiente, soy dependiente del *rating*".

Una mañana, una llamada telefónica y una revelación. El tablero político podría cambiar de manera imprevista; los resultados de las elecciones presidenciales, dentro de solo un mes, ahora son improbables. El candidato favorito, el dueño del canal de televisión y el periodista estrella forman el triunvirato que ha sido puesto en jaque por una niña de apenas catorce años, a la que le urge contar su verdad: que no ha sido reconocida, que ha sido incluso negada, pero que su padre sí existe y se llama Alcides Tudela, el hombre que tal vez gobernará el Perú durante los próximos cinco años.

En *La lluvia del tiempo*, Jaime Bayly retrata, o más bien devela, el laberíntico mundo del periodismo televisivo, enfocando las flaquezas, las rivalidades, los arreglos y las deslealtades detrás de cámaras, para contar la historia secreta de los grandes canales de la televisión peruana, desde sus inseguros inicios frente a la radio, hasta su poderoso presente, en el que a menudo determinan el futuro de los políticos y del país. En esta fascinante historia sobre los entresijos del poder en el Perú y el modo como el tiempo, a la manera de una lluvia persistente, corrompe y erosiona el carácter moral de sus personajes, Bayly nos ofrece su mejor novela.
