Respectable Affair Annette Snyder

A relationship with an unsavory criminal was only the beginning of Virginia Seidle's terrible run with men. Would her life always be shadowed by previous mistakes? Would a career change turn bad luck around or was this boss just another man to avoid?

As a husband, Nolan promised to love in sickness and health. As a father, his mission is to protect his son. An affair? What woman deserved the backyard gossip that surrounded a secret relationship?

A pact of friendship and a secret love—was that all Virgie and Nolan had?

Was protecting the future of a boy and a madwoman the most important?

Could two people in love sacrifice everything to keep an affair respectable for the sake of family?
