Twelfth Night (Shakespeare Handbooks) Paul Edmondson

This book opens up *Twelfth Night* as a play to see and hear, provides useful contextual and source material, and considers the critical and theatrical reception over four centuries. A detailed performance commentary brings to life the many moods of Shakespeare's subtle but robust humour. Students are encouraged to imagine the theatrical challenges of Shakespeare's Illyria afresh for themselves, as well as the thought, creative responses and wonder it has provoked.
