Jaime A. Lombana Villalba

Corrupción, cohecho y tráfico de influencias en España y Colombia (Spanish Edition) Jaime A. Lombana Villalba

La presente obra, por medio de la cual la Universidad de León le otorgó al profesor Jaime Lombana Villalba el título de Doctor en Derecho, fue dirigida por grandes maestros del derecho penal español y se constituye en un gran aporte para el tema, en tanto muestra cómo la corrupción pública conduce a un grave quebrantamiento de los principios esenciales sobre los que se asienta todo régimen democrático. El trabajo de grado centra su atención en resaltar la administración pública como un bien jurídico que amerita una especial protección por parte del derecho penal.

Para ello, el profesor Lombana parte de la regulación de dos tipos penales presentes tanto en el derecho penal español como en el colombiano: el cohecho y el tráfico de influencias. Como lo expone en el texto, son estas las conductas de las que a menudo se valen los corruptos para lograr sus intereses egoístas y punibles.

Además de reflexionar sobre los delitos de cohecho y tráfico de influencias, el texto muestra cómo a partir de la aplicación de los principios de la administración pública consagrados en la Constitución y las normas disciplinarias aplicables a los servidores públicos, se puede delimitar la conducta reprochable y distinguir la delgada línea que separa lo punible de lo socialmente permitido. Eduardo Montealegre Lynett Fiscal General de la Nación.
