## **Grain (Picador Poetry)** John Glenday

Though John Glenday has long been admired for his lyrically delicate and emotionally powerful poetry, he has remained something of a well-kept secret. His third collection, *Grain*, makes his singular talent available to a wider audience. Sometimes Glenday's poems are forcefully direct; sometimes they are so quiet they feel as if they were composed within a capacious listening, as a form of secular prayer. Glenday's seamless lyric can also disguise some wild and surreal tales: the Beauty and the Beast told in reverse, a bizarre list of new saints, or a can of peaches waiting for the invention of the tin-opener. However, the lasting impression is of a genuinely spiritual poet, one with the ability to turn every earthly detail towards the same clear light. *Grain* announces Glenday as an essential voice in contemporary poetry.
