Carlos Basso Prieto

La CIA en Chile (1970-1973) (Spanish Edition) Carlos Basso Prieto

Basado en documentación desclasificada, de diversos orígenes, la historia reportada por Basso cuenta la importancia que Chile tuvo en medio del contexto de la Guerra Fría, los esfuerzos de inteligencia realizados por el KGB y las visiones contradictorias que existían en el seno de la misma CIA en dos momentos clave de la historia chilena: en los días previos a la asunción de Salvador Allende como Presidente de la República y en los inmediatamente anteriores a su derrocamiento. El libro incluye un anexo que relata la infiltración de la CIA en los grupos de ultraizquierda chilenos, incluso hasta después del retorno de la democracia.
