Ashley Antoinette Presents the stunning spin-off from LUXE, Luxury and Larceny, where love, lust, money, power is just the beginning...

After robbing Cinco, one of Mexico's most ruthless drug dealers, Bree and China should be living luxuriously. There is only one problem; they came up empty handed on their heist. Desperation and fear forces them to go on the run. There is only one person that China loves more than Bree, herself, and when she is forced to choose she leaves him high and dry. China takes the stash of money that Bree has saved up and puts as much distance between them as she can bare. What she doesn't know is that Bree is right on her tail and that Cinco is on to them both. When the three collide there will be hell to pay and only one of them will come out on top.
