One Summer

Karen Robards

One Summer Karen Robards

He was pure, unadulterated trouble. Johnny Harris is home again, his too-tight jeans and damn-your-eyes belligerence honed to perfection by a ten-year stretch in federal prison for murder. Now he's out on parole and ready for the job Rachel Grant has promised to help him begin a new life. Unlike the rest of the town, Rachel has always believed in her former student's innocence. But one thing has changed...

The sullenly handsome boy she remembers is still sullen, still handsome...but no longer a boy. And now the small Kentucky town is alive with gossip and whispers of a scandal, as friendship turns to passion and Rachel abandons a lifetime of propriety in the ex-con's arms. Then the killer strikes again. All evidence points to Johnny Harris, but Rachel knows he is innocent. And she knows she is next...as a shattering truth is uncovered and dark passions explode in the relentless summer heat.

From the Paperback edition.

From reader reviews:

Jordan Sampson:

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important for all of us. The book One Summer had been making you to know about other understanding and of course you can take more information. It is very advantages for you. The reserve One Summer is not only giving you far more new information but also being your friend when you truly feel bored. You can spend your own personal spend time to read your book. Try to make relationship with the book One Summer. You never truly feel lose out for everything in case you read some books.

Herbert Beckley:

Reading a guide tends to be new life style within this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire all their reader with their story or even their experience. Not only situation that share in the publications. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this One Summer.

Ryan Connors:

Spent a free a chance to be fun activity to complete! A lot of people spent their leisure time with their family, or their very own friends. Usually they performing activity like watching television, going to beach, or picnic from the park. They actually doing same every week. Do you feel it? Will you something different to fill your current free time/ holiday? Could possibly be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled One Summer can be good book to read. May be it may be best activity to you.

Roy Rogers:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many issue for the book? But any kind of people feel that they enjoy for reading. Some people likes examining, not only science book and also novel and One Summer or even others sources were given expertise for you. After you know how the truly amazing a book, you feel desire to read more and more. Science book was created for teacher or perhaps students especially. Those publications are helping them to include their knowledge. In other case, beside science e-book, any other book likes One Summer to make your spare time far more colorful. Many types of book like this one.
