**Palm Trees on the Hudson: A True Story of the Mob, Judy Garland & Interior Decorating** Elliot Tiber

*Palm Trees on the Hudson* is the hilarious prequel to Elliot Tiber's bestseller *Taking Woodstock*. Before Elliot found financial success by bringing Woodstock Ventures to his upstate motel, he was one of Manhattan's leading interior designers. Then Elliot's career came to a halt due to a floating society party, Judy Garland, and the Mob.

In April 1968, Elliot was hired to throw an elegant dinner party aboard a luxury yacht on the Hudson River. Included on the guest list were New York's rich and famous—politicians, financiers, and even Elliot's icon, Judy Garland. The big night arrived. But when a fight broke out, resulting in the destruction of everything including rented palms, Elliot's event turned into financial disaster. Things couldn't get any worse—or so it seemed until the Mob paid a visit.

By turns comic and tragic, *Palm Trees on the Hudson* is the take-no-prisoners memoir that gives readers a more intimate look at the man who went on to fight back at Stonewall and who helped give birth to the Woodstock Nation.
