Endurance riding is one of the fastest growing sports in the UK and this guide is a perfect introduction to the sport. This book describes the origins of the sport and also the equipment, preparation, veterinary, training and practical considerations which are involved, with hints on developing skills in map-reading and pacing the ride. Practical information takes you through the day of a ride and explains the critical part that the 'crew' plays. Its aim is to help riders of all ages and abilities enjoy the sport.
