## **Shari'a and Muslim Minorities: The wasati and salafi approaches to fiqh al-aqalliyat al-Muslima (Oxford Islamic Legal Studies) Uriya Shavit**

Based on a comparative analysis of several hundred religio-juristic treatises and fatwas (religious decisions), *Shari'a and Muslim Minorities: The Wasati and Salafi Approaches to Fiqh al-Aqalliyat al-Muslima* offers the most systematic and comprehensive study to date of fiqh al-aqalliyat al-Muslima - the field in Islamic jurisprudence that treats issues that are unique to Muslims living in majority non-Muslim societies. The book argues that two

main contesting approaches to fiqh al-aqalliyat al-Muslima, the wasati and the salafi, have developed, in part dialectically. While both envision a future Islamizing of the West as a main justification for Muslim residence in the West, the wasati approach is pragmatic, facilitating, and integration-minded, whereas the salafi calls for strict application of religious norms and for introversion.

The volume examines diverse and highly-debated juristic issues, including the permissibility of naturalizing in non-Muslim states, participating in their electoral systems and serving in their militaries and police forces; the permissibility of taking mortgages and student loans; the permissibility of congratulating Christians on Christmas or receiving Christmas bonuses; and the permissibility of working in professions that involve breaching of religio-legal prohibitions (e.g. serving pork).

Discussions highlight the diversity within contemporary Islamic jurisprudence and introduce new nuances to highly-charged concepts such as proselytizing, integration, and multiculturalism.
