Technology Integration in the Elementary Music Classroom Amy M. Burns

(Book). This is a landmark resource for elementary school teachers who wish to enhance their curriculum with the excitement of music technology. The lessons can be adapted and used in a general classroom setting with one computer, or in a classroom where the music teacher transports the materials "on a cart." Support audio files, MIDI files, and other electronic documents can be accessed for free through a dedicated web site. Includes a glossary and index.
