**Territorios rebeldes: Autonomías versus presicracia centralista (Spanish Edition)** Esteban Valenzuela  
Los territorios rebeldes no han ganado, pero han corrido las fronteras de lo posible, logrando reponer en Chile en el debate público las ideas de autonomía regional, territorio intercultural y autonomía mapuche, coparticipación de las regiones en la renta minera y de los recursos naturales, consultas a las comunidades en plebiscitos si desean mega industrias eléctricas o extractivas. Se mantiene el metarrelato de la leve incrementalidad histórica en un proceso gradual a la chilena de evolución de poder a los territorios. Probablemente el ciclo de protestas y rebeldía territorial se prolongará.
