## THE PEACE ROAD MAP: Knowledge Seeker Workshops Book 7 (Year 1: The Knowledge Seeker Workshops)

Year1 Book7 is the 7th of this small series of books which was born out of my desire to understand by transcribing the teachings of Mr. Keshe, to see where they would lead. Knowledge Seeker Workshop 64 is such a concentrated transmission it is not diluted with anything else, and above all it confirmed in a very visual and auditory way that we earth humans are not alone in this mess, we have support from what MK calls the man in space. We, the man on earth, are now being introduced to our close relatives in the Universal community, the man in space. And, the man in space is saying there is no alternative, you will have Peace, and this is the Road Plan. This transmission is directed more at the Presidents and the Kings and Queens, the World Leaders, and the World Religious Leaders. We are just fortunate enough to be the ones who are observers and participants in this momentous time on Planet Earth, with a reunion with our wider family being the icing on the cake, or as Mr. Keshe called it, the jackpot!
