Family Driven Faith (Paperback Edition with Study Questions): Doing What It Takes to Raise Sons and Daughters Who Walk with God Voddie Baucham Jr.

More teens are turning away from the faith than ever before: it is estimated that 75 to 88 percent of Christian teens walk away from Christianity by the end of their freshman year of college. Something must be done.

Family Driven Faith equips Christian parents with the tools they need to raise children biblically in a post-Christian, anti-family society. Voddie Baucham, who with his wife has overcome a multi-generational legacy of broken and dysfunctional homes, shows that God has not left us alone in raising godly children. In his Word he has given us timeless precepts and principles for multi-generational faithfulness.

Baucham's celebrated guide for godly, healthy families is now available in paperback, with study questions added. Parents will find this a critical resource for the spiritual nourishment and protection of the next generation.
