Introduzione all'Optometria Funzionale (Italian Edition)

Sergio Cappa, Silvio Maffioletti

Introduzione all'Optometria Funzionale (Italian Edition) Sergio Cappa, Silvio Maffioletti

Questo scritto è la traduzione letterale, fatte salve le inevitabili concessioni stilistiche, del testo che porta lo stesso titolo pubblicato dall'OEP, a firma del prof. Charles B.Margach, nel 1979 ed è una monografia strutturata per fornire una introduzione alle tecniche di verifica e diagnosi dell'Optometria Funzionale. Oltre ad alcune indicazioni originali del suo autore, contiene un riassunto ed una raccolta degli insegnamenti di A.M.Skeffington e dei suoi collaboratori, così come sono stati espressi attraverso l'Optometric Extension Program. Si tratta di un manuale schematico di poche pagine diviso in tre parti: nel primo capitolo vengono elencate le metodiche dell'Esame Analitico; nel secondo i suggerimenti per la Procedura Analitica e il terzo un utile glossario. Si tratta della sedicesima edizione, sostanzialmente identica alla prima, pubblicata, a firma Skeffington e Alexander e altri, dall'OEP nel 1935.
