Shango is the name of a Spiritual Force associated with the power of lightning in the West African religious tradition called Ifa . The word Shango is the name of a historical figure who was the fourth Alafin (Community Chief) of Oyo. The name has also been given to a complex convergence of Spiritual Forces that are key elements in the Ifa concept of courage and justice. These Spiritual Forces form the essence of Shango's role in the Spiritual Realm and are at the foundation of the process of spiritual transformation. It is lightning that reaches from the Realm of the Ancestors to Earth as a reminder of the humbling power that exists within Nature itself. Lightning is the Ifa symbol for Divine Justice.
