The Dream Reality is the true story of a young girl's journey with her Spiritual Master. The book charts her soul growth and inner transformation under the aegis of her guru, Sri Sathya Sai Baba. Once he enters her life, he guides her along the path with dreams, visions and actual physical drashans. The book depicts the deep bond that exists between the guru and his disciple.

Many seekers will identify with the story as it moves through the various stages of an aspirant's life – the initial attraction to Spirit; the joys of having a personal guru; the trials and conflicts faced on the path.
