The Front Page SJ, Christopher Gleeson

For most of the 'front pages' that follow, my inspiration has been twofold—to elaborate some touching story from my everyday life experience, however banal, and use it as a stepping stone to illustrate how we might more easily find God and be found by God in all things. Central to Ignatian spirituality is the belief that our world is transparent, reflecting constantly a God who works in the depths of everything. St Ignatius Loyola saw the world as very 'user friendly'. For him every part of it, from the stars in the heavens to the flowers of the field, elevated his mind and heart to God. In Ribadeneira's Life of Ignatius we learn 'how even the smallest things could make his spirit soar upwards to God, who even in the smallest things is Greatest. At the sight of a little plant, a leaf, a flower or a fruit, an insignificant worm or a tiny animal Ignatius could soar free above the heavens and reach through into things which lie beyond the senses.' (Life I11 5381)
