**Blood Warrior: Dragon Kings Book Two (The Dragon Kings 2)** Lindsey Piper  
**The second in a fierce and sensual new paranormal romance series featuring demonic gladiators, ruthless mafia villains, and the choices made by a proud race on the brink of extinction.**

As a young man, sarcastic, violent Tallis Pendray believed the Dragon Kings' survival depended on a prophecy delivered in dreams by a woman named "the Sun." His role has been to complete inexplicable, even reprehensible tasks. First, by murdering a priest, he united his fragmented clan in their hatred of him. Dubbed "the Heretic," Tallis fled his family's Highland estate. Now disillusioned, he seeks revenge on the woman he holds responsible for two decades of exile.

Telepath Kavya Indranan is a charismatic, seductive cult leader born to a prominent family. However, she grew up terrorized by the ominous threat of her powerful, insane twin brother. On the run and hiding among the poor, she witnessed the destruction wrought by her clan's centuries-old civil war. Maturity nurtures Kavya's determination to end the cycle of bloodshed. Those who follow her call for peace have nicknamed her "the Sun."

Bent on revenge, and without knowledge of Kavya's noble intentions, Tallis kidnaps her on the eve of her groundbreaking announcement. The two watch in horror as her twin brutally smashes the tentative truce...and hunts the sister whose death would make him invincible.

Kavya is the Sun—revered, untouched, and bound by a lonely destiny that promises a deadly showdown against the last of her family. Tallis is the Heretic—despised and exiled because of actions that seem random, heartless, and contrary to the safety of the clans he protects. She's not a goddess, and he's not a natural born killer. A desperate trek from the Himalayan foothills to the Scottish Highlands reveals two secluded souls hidden by bloody reputations. Will their trust be strong enough to avert an all-out war that could destroy them, and their kind, forever?
