**Dangdut Stories: A Social and Musical History of Indonesia's Most Popular Music** Andrew N. Weintraub

A keen critic of culture in modern Indonesia, Andrew N. Weintraub shows how a genre of Indonesian music called dangdut evolved from a debased form of urban popular music to a prominent role in Indonesian cultural politics and the commercial music industry. *Dangdut Stories* is a social and musical history of dangdut within a range of broader narratives about class, gender, ethnicity, and nation in post-independence Indonesia (1945-present).
