Guitar Player Presents 50 Unsung Heroes of the Guitar

Guitar Player Presents 50 Unsung Heroes of the Guitar

(Guitar Player Presents). Everyone knows the legends Hendrix, Page, Clapton, Beck, and all the other six-string giants but the evolution of guitarcraft wasn't forged purely by uber-famous players with large cultural footprints. Scores of lesser-known pioneers such as Tommy Bolin, Danny Cedrone, Tampa Red, and Sister Rosetta Tharpe contributed vast numbers of licks, riffs, solos, tones, compositions, techniques, and musical concepts that inspired generations of guitarists and advanced the art of playing guitar. Their stories are as critical to modern guitar music as is electricity or amplification. Any guitarist seeking to devise a unique and individual sound should study the wacky, off-kilter, unfamiliar, and criminally underutilized creative concepts of the unsung greats, straight from the pages of Guitar Player magazine.
