Indian Democracy: Meanings and Practices

Indian Democracy: Meanings and Practices

This volume examines how Indian democracy has survived the challenges posed by widespread illiteracy, poverty, secessionism and communalism—problems that have felled the fledgling democratic institutions of so many post-colonial societies. The contributors locate the reason for the resilience of Indian democracy in its history—that it was the product of a gradual evolution and not of a sudden imposition from above.

The essays in the volume, however, show that despite having stood the test of time, Indian democracy is not a democracy in any substantive sense. The economic policies of successive governments since 1985 have been basically anti-people; rampant casteism, communalism, and the use of money and muscle power have infiltrated the body politic. Mass mobilization has been powered by hate, making it a feature more typical of a nascent neo-fascist state than of a democracy. The `substantialization of democracy'—proper representation and people's participation in decision making—still remains a distant ideal.

Margaret Babin:

As a pupil exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Indian Democracy: Meanings and Practices can make you feel more interested to read.
