The Flight Of The Romanovs: A Family Saga John Curtis Perry, Constantine V. Pleshakov

A saga of love and lust, personal tensions and rivalries, antagonisms and hatreds, The Flight of the Romanovs describes the last century of the Russian imperial dynasty—a century that saw the greatest social and political upheavals in all of recorded history. Drawing upon a wealth of untapped resources from Russian, British, and American archives, including unpublished diaries of many of the principal characters and never-before-published photographs, Perry and Pleshakov render an indelible portrait of a family and their time, from the youth of Alexander III in the 1860s to the death, one hundred years later, of his daughter Olga Alexandrovna, the last Grand Duchess. Set against the backdrop of this most cataclysmic century, The Flight of the Romanovs is a must-read for anyone interested in this fascinating dynasty, Russian history, and the history of European royalty.
