Bad Cop (Immortalis Book 2) Angela McCallister

A cop who tosses the rulebooks to get his way...

Vampire Ian McCready doesn't care for Alice Capshaw's opinions about his version of justice. Her humanity makes her off-limits, but that does nothing to lessen his overwhelming desire for her. To Alice, Ian is just another bad cop as detestable as the one who destroyed her family. She's attracted to him, yes, but he threatened his way into her agency's murder case and has too many secrets.

When a new case resurrects ghosts Ian believed long dead and buried, his law-bending ways might result in his execution. The second Alice becomes a target, his cold heart flares into blinding existence. But following the law for her sake may end with devastating results.
