## Los pasajeros del Anna C. (Spanish Edition) Laura Alcoba

A mediados de la década del sesenta, la revolución parecía ser un futuro a punto de volverse presente. Pero no se podía dejar su concreción en manos del destino, había que involucrarse, hacerla posible en cada lugar. También en Argentina. Con ese objetivo, una juvenil pareja, Manuel y Soledad, se embarcan a Cuba. Son parte de un grupo denominado "Los cinco de La Plata", y van a formarse política y militarmente. La Habana, suponen, será el espacio donde los sueños empezarán a materializarse.

Sin embargo, suponen mal. A poco de llegar, descubren que los cubanos esperaban un quinteto de militantes calificado, no a unos inexpertos entusiastas. Es el año 1966, y el Che prepara su viaje final a Bolivia. No es un momento de cabildos, sino de urgencias, lucha y muerte. Al mismo tiempo, la ilusión de un mundo mejor que guiaba sus conciencias se estrella contra conductas indignas, divisiones y miserables luchas de poder. Cuando casi dos años más tarde el grupo vuelve a Buenos Aires en el crucero Anna C., los anhelos juveniles vacilan, y en algún caso se desmoronan. El Che ha muerto, la política argentina se interna en un espiral de violencia, nada es tan sencillo y directo como un día pareció. Y además, Soledad tuvo una hija. Esa hija, hoy una mujer, es la narradora de esta novela.

Los pasajeros del Anna C. es una narración fascinante que a partir de la vida de una serie de personajes, todos ellos reales, logra plasmar los anhelos, temores y ambigüedades de una generación que se entregó a la militancia revolucionaria. Con una escritura que aprovecha la errática memoria de los protagonistas y que crea ficción a partir de sus evocaciones y sus olvidos parciales, Laura Alcoba escribió un libro conmovedor. Transmite la dulzura de la esperanza, el frío dolor ante las pérdidas, el estupor que se apodera de los recuerdos cuando se enfrentan al espejo del pasado.
