Pull Me Under: A Novel Kelly Luce

A searing debut novel from one of the most imaginative minds in fiction

Kelly Luce's *Pull Me Under* tells the story of Rio Silvestri, who, when she was twelve years old, fatally stabbed a school bully. Rio, born Chizuru Akitani, is the Japanese American daughter of the revered violinist Hiro Akitani--a Living National Treasure in Japan and a man Rio hasn't spoken to since she left her home country for the United States (and a new identity) after her violent crime. Her father's death, along with a mysterious package that arrives on her doorstep in Boulder, Colorado, spurs her to return to Japan for the first time in twenty years. There she is forced to confront her past in ways she never imagined, pushing herself, her relationships with her husband and daughter, and her own sense of who she is to the brink.

The novel's illuminating and palpably atmospheric descriptions of Japan and its culture, as well its elegantly dynamic structure, call to mind both Ruth Ozeki's *A Tale for the Time Being* and David Guterson's *Snow Falling on Cedars*. *Pull Me Under* is gripping, psychologically complex fiction--at the heart of which is an affecting exploration of home, self-acceptance, and the limits of forgiveness.

From reader reviews:

Carolyn Fletcher:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of publication you read, if you want get more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining for example comic or novel. The actual Pull Me Under: A Novel is kind of e-book which is giving the reader unforeseen experience.

Jacquelin Vasquez:

This Pull Me Under: A Novel are reliable for you who want to be described as a successful person, why. The explanation of this Pull Me Under: A Novel can be among the great books you must have is actually giving you more than just simple reading food but feed anyone with information that maybe will shock your earlier knowledge. This book is actually handy, you can bring it all over the place and whenever your conditions at e-book and printed versions. Beside that this Pull Me Under: A Novel forcing you to have an enormous of experience for example rich vocabulary, giving you demo of critical thinking that we all know it useful in your day pastime. So , let's have it and revel in reading.

Johnny Harper:

Why? Because this Pull Me Under: A Novel is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will zap you with the secret the idea inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your proficiency and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the publication store hurriedly.

Donald Burgess:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Pull Me Under: A Novel can make you experience more interested to read.
