Discovering Nature with Young Children Trainer's Guide w/DVD (The Young Scientist Series) Ingrid Chalufour, Karen Worth

Opening young minds to the wonders of nature, *Discovering Nature with Young Children* expands on the role science has traditionally played in the early childhood classroom. Part of the innovative Young Scientist series, this resource guides teachers through an inquiry-based curriculum that builds on children's natural curiosity about the living world around them.

This comprehensive trainer's set provides an in-depth look and visual tour of the complete *Discovering Nature with Young Children* curriculum. The trainer's guide takes you through the curriculum step-by-step, with discussion plans, sample charts and forms, and extensive resource suggestions. The trainer's DVD contains seven real-life vignettes of the curriculum in use in the classroom.
