My body reacts to the feelings of use I'd experienced only an hour ago. It hasn't always been like this though. It all started one night at a cheap dive bar. The mask I'd unknowingly worn for the past 25 years was ripped aside and the filthy slut that I'd held inside was allowed to claw her way to the surface.

What does a single beautiful college professor spend her weekends doing? Well, the beautiful Lilian Masterson used to spend them reading or grading papers, but now she spends them fulfilling the darkest fantasies of entire groups of men and women.

In [Her Inception](#), read how Michael ripped Lilian's conservative mask off and freed the carnal beast that lives within her. Her erotic fantasies have become reality, and she'll never be the same...
