Nacer con una pregunta en el corazón (Authentic Living Series) (Spanish Edition) Osho

Según Osho los hombres somos los únicos seres vivos con el privilegio y la capacidad de hacernos preguntas. Vivir sin interrogantes obviamente nos asegura una existencia más tranquila, pero esa paz es una paz muerta, no hay vida en ella.

Las religiones nos han arrebatado el interrogante y lo han sustituido por algo muy distinto a fin de que estemos tranquilos. Pretenden también tener todas las respuestas por lo que Osho se limita a destruirlas para que seamos capaces de encontrar nuestra pregunta, que han escondido tanto que hemos olvidado que existía. En *Nacer con una pregunta en tu corazón* nos cuestiona de forma radical los sistemas de creencias tradicionales en las dimensiones religiosas, políticas y sociales y nos invita a hacernos preguntas que nazcan de nosotros mismos y tengan un significado existencial.

Este es otro título de Authentic Living Series, un conjunto de obras basado en encuentros de meditación en los que Osho responde a preguntas de la audiencia llevando la religión ante "la justicia" y desarrollando una nueva espiritualidad del SXXI para el ser humano moderno gestando una nueva era de despertar.
