Nicaea and Its Legacy: An Approach to Fourth-Century Trinitarian Theology

Lewis Ayres

Nicaea and Its Legacy: An Approach to Fourth-Century Trinitarian Theology Lewis Ayres

Lewis Ayres offers a new account of the most important century in the development of Christian belief after Christ. He shows how the doctrine of the Trinity was developed, and in particular argues that a conception of God's mysteriousness and spiritual progress towards understanding is central to that doctrine. He also proposes that modern theologies of the Trinity fail to appreciate the depth and power of Nicene trinitarianism.
