Peter Slade

Open Friendship in a Closed Society: Mission Mississippi and a Theology of Friendship Peter Slade

Peter Slade examines Mission Mississippi's model of racial reconciliation (which stresses one-on-one, individual friendships among religious people of different races) and considers whether it can effectively address the issue of social justice. Slade argues that Mission Mississippi's goal of "changing Mississippi one relationship at a time" is both a pragmatic strategy and a theological statement of hope for social and economic change in Mississippi.
