Los Macocos

Pequeño papá ilustrado: Manual deformación para padres (Spanish Edition) Los Macocos

Que los papás ven los primeros meses de la crianza de sus hijos por televisión es un secreto a voces. Y luego, cuando los niños crecen y comienzan a conectarse con la criatura, tienen que llevarlos al colegio, entretenerlos en vacaciones, acompañarlos al pediatra, peinar a las niñas, intentar dialogar con los adolescentes, todas cosas para las cuales no están preparados, pues de chicos no jugaban con muñecas. Este libro de humor para papás surge de la exitosa y catártica obra de Los Macocos, disfrutada por miles y miles de padres que aseguran haberse ahorrado una importante suma de dinero en psicólogo. Una joya pedagógica del Gran Maestro JJJJ que sus discípulos reproducen aquí para el bienestar mental y anímico de los hombres que viven a diario con los vaivenes de sus bebés, niños y ¡adolescentes!
