With her friendly tone and insightful knowledge, Nicole S. Young takes readers through all the products in the onOne Photo Suite, walking through each and showing readers how to use the tools to stretch their creativity and showcase their personal photographic style.

This beautifully illustrated guide provides easy-to-follow instructions on processing images from start to finish. Nicole will show readers how to use the following onOne tools to enhance their photos: Perfect Layers for a layered workflow without Photoshop; Perfect Portrait retouching; Perfect Mask for replacing backgrounds; Perfect Effects, Focal Point, and PhotoFrame for creative effects; and Perfect Resize for image enlargement.

This step-based guide will show readers how to use these seven products together seamlessly as integrated modules also support their workflow - however they work. Readers can use Perfect Photo Suite directly from Photoshop, Lightroom, or Aperture - or as a standalone application.
