Paul relishes his job and is good at it. He is determined to expose underground religion—flush it out, expose it, and kill it—until his life is turned upside down and he is forced to look at life in a different way. As Paul begins to unravel the truth about what he has found, events taking place around the world are starting to make sense. Something big is coming—something that can't be stopped. And it is coming *soon*.

## **#2 Silenced**

Enter the continuing story of double agent Paul Stepola as he works to protect his fellow believers from the government that is trying to eliminate Christians. The underground church is in mortal peril following the apocalyptic events in Los Angeles, which have only cast further suspicion upon Christians. Meanwhile, Paul struggles with how to tell his family about his newfound faith without raising the suspicions of his ruthless father-in-law. A gripping, futuristic thriller that will keep you glued to the page.

## **#3 Shadowed**

After God intervenes with a miracle of global proportions, the tide is turned on international atheism and the National Peace Organization (NPO). The underground church has grown to the extent that Christians are becoming the majority. Agent Paul Stepola and his wife Jae are exposed and forced to become international fugitives. The NPO will stop at nothing to capture Paul and eliminate the underground church—until God intervenes and the final judgment is at hand.
