## Abba's Abba Gold (33 1/3) Elisabeth Vincentelli

Perhaps more than any other Greatest Hits compilation, Abba Gold has come to define a band's career on one disk. More than that, its release in 1992 heralded the critical rehabilitation of a group which had, since its demise a decade earlier, become little more than a memory of trashy costumes and cheesy tunes to many people. Here, Elisabeth Vincentelli charts the circumstances surrounding the birth of Abba Gold, looks at the impact it had on the music world, and tells the stories behind some of the greatest pop songs ever recorded.

EXCERPT: Pop is the opium of the masses, the sweetener that makes you swallow the status quo—and that comforting attitude is reflected in pop's reliance on tried-and-true song structure, including the obligation to build up to a memorable chorus. The chorus is what sells the song, it's the part that's supposed to become imprinted in your head as it caps a sweet, sweet momentum. Starting a song with the chorus is the equivalent of drawing your gun too early in a shoot-out, of revealing your hand too hastily in a poker game: Once you've given everything you have, where's the pay off? And yet "Dancing Queen" doesn't flag after its flamboyant beginning: The chorus acts as both teaser and pay off. Ironically for a band that was supposed to be a bunch of control freaks with a solution to every technical or musical conundrum, it later surfaced that "Dancing Queen" starts with the chorus because Abba just couldn't figure out how to make it work any other way.

The first thing that you ask may be what kinds of book that you should read. If you want to attempt look for book, may be the publication untitled Abba's Abba Gold (33 1/3) can be great book to read. May be it could be best activity to you.

#### **Patricia Ramirez:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Abba's Abba Gold (33 1/3) can make you feel more interested to read.
